

## Beverley vs Federals 2<sup>nd</sup> May 2010 Budget Notes

Hello and welcome to Jubilee Oval where the Redbacks take on the Federals. In one of the club's saddest days, Beverley lost a premiership player and good mate with the passing of Gerrard (Warky) Ugle last Sunday. The club is in shock and we offer our sincere condolences to his family and friends. As a mark of respect to Warky, the club will be retiring his jumper number. R.I.P. Warky. Lest we forget indeed. We ask that Federals join us in a minute silence before both games today in remembrance.

Last weekend was a mixed bag of results for the Reddies. Although the resses and the netballers were easily accounted for, the league boys put in a solid hard-running performance to notch up their first four points, and put themselves back in contention for 2010.

The resses boys were fired up after a gut-wrenching last post, and within minutes of the opening bounce put on their first goal for the 2010 season. This was quickly quelled by a fast running Kats outfit, and at half time the margin was out to 8 goals. Coach Junior gave the boys a bit of a spray at half time, and gave them an ultimatum for the second half- increase your pressure or go home! This seemed to spur the boys on as they borrowed some of the ANZAC spirit, and lifted their intensity at the ball, and on the ball-handler. Junior was impressed with the boys efforts to respond to his challenge and is convinced that the boys are improving each week and will get those illusive 4 points sooner rather than later.

The league game started out with a shoot-out with both teams piling on the goals early in a very tight and even affair. This really was the case for the whole game with both teams not giving an inch. However the boys had something extra to play for in the second half and every contest was hit with an added effort and an injection of intensity. The reddies ran out eventual winners on the day and there's no reason we can't play that footy every week.

The netball girls were flying high after their convincing win in their first game and came into the game with high hopes. These hopes were quickly shattered by a hard running, skilled Kats team and the girls were unable to fire a shot. Hard luck girls! Let's have a win today.

### LEAGUE

1. R & L HIAB SERVICES – Justin Mann
2. HOTEL BEVERLEY and BEVERLEY HYDRABOOM – Dale Wansbrough
3. BOEKEMAN MACHINERY and AG TOOL SUPPLIES – Aaron Earl

### RESERVES

1. SPEARWOOD WOOL HANDLERS – Daniel Fleay
2. BLECHY'S TYRE & BATTERY and FREEMASONS TAVERN – Paul Grover

3. CAFE 6304 and AVON TRADING – Ben Ahern

### NETBALL

1. BEVERLEY BED & BREAKFAST – Narelle Gault
2. CBH LIMITED – Sarah Owens

Congratulations to Rhysy Rowlands who also won the ANZAC Day medal for best on ground in league. Also, congratulations to Tim "Oysters" Kilpatrick who plays his 250<sup>th</sup> game of reserves for the Redbacks today.

At our next home game you will notice the Redbacks have new custom made thick red and black goal pads. These look sensational when combined with the excellent condition of the oval, and it's a credit to the shire for keeping the oval in mint condition. Thanks to Healthway for part sponsoring the pads and we ask that there be no smoking on the paved front verandah from now on. The Redbacks would also like to thank Avon Express Transport for transporting the new goal pads up.

Players subs are now due. Please forward your subs to Treasurer Mick Barrett-Lennard as soon as possible. Subs prices can be found on a list inside our changerooms, otherwise ask Mick what you owe.

Good luck today Redbacks!
