

Beverley vs Cunderdin 12th June 2010

Hello and welcome to Beverley for our home match against the Cunderdin Magpies. This is the second time playing the Pies and after disappointing losses in both Reserves and League last time, we will be looking to reverse that today, whilst winning the netball again.

Last weekend brought a much needed bye for the Redbacks, and was a time to celebrate a couple of birthdays in Jezza turning the big 30, and Jibba who turned 21. From all accounts, both nights were a mixture of fun and mayhem, and hopefully now everyone is back to focusing on today's match.

A fortnight ago, the Redbacks travelled to Quairading to take on Eastern rivals, the bulls. It was not a good day out for us, as we were convincingly beaten in all three games. However, our hockey girls were successful in their game against Northam Aces Blue, winning by a huge 7-0. Well done girls!

League

After finishing strongly against York the week before, the boys were carrying confidence into the game against the league leaders, the Bulls. The game started very poorly with boys sides struggling with their skills, and both unable to put any scoreboard pressure on. The Redbacks were down by one goal at the first change. The second quarter saw a huge fadeout by the boys as they were over-run by the bulls, and went into the main break 8 goals down. They needed a huge second half to get the win, and although a huge 3rd quarter saw them with a sniff, they weren't able to run out the game and went down by 10 goals. We need to stamp out the fade-outs if we are to grab those wins.

Reserves

The resses had a chance of getting off the bottom of the ladder against the Bulls but never looked like exerting control, and only managed the one goal for the match. The loss of a few key players, including Groover stepping up to league and playing a great game, was probably the main factor. But there are a few whispers that there are some stars coming back today that may help lift the boys.

Netball

Once again, the girls started like stars and were 8 goals up at one stage in the first half. Unfortunately again, the girls weren't able to finish out the game and the Bulls took control in the second half. The team definitely has the talent to produce the goods, and I'm sure you'll turn things around today

Hockey

The girls had a huge win against the Aces Blue, piling on goal after goal to down their opponents 7-0. The girls were pretty cocky after the win and are really enjoying the game, which is great to see. Hopefully they can keep producing the goods. If you have a chance to have a look, get over there and support the girls. Many thanks to Trevor and Amanda McLean for sponsoring all of the hockey awards.

Our website

Yes I'll take this chance to plug our new website. You can check it out at either <http://www.beverleyfc.weebly.com> or <http://www.beverleyfc.com.au>. I'm not sure which one will be working by today. Anyway get on there, have a gander, and I need everyone, past and current players to fill out their Bio. Instructions are on the site. It's a chance for the community to get to know our players and hopefully feel more involved with the club and come down to our games. It's also aimed at getting the school children more interested in footy so we can develop footy in our community and get the nippers back and running. It's a big claim but any little thing may help.

Wood-Duck

The famous award this week goes to our little friend, Coach Cupcake. He has made his way into the spotlight again by making a huge claim and then been exposed as a liar. Mr Cupcake claimed that he impressed his new flame by finding out that she likes cupcakes from his study buddies, and then proceeding to bake some delicious treats and taking them to study group so he could sweep her off her feet. It all sounded pretty impressive and everyone was in awe of his ability to charm anyone off their pants. Anyway, when we finally got a chance to meet Miss Cupcake last weekend, a couple of boys took the opportunity to ask her how good Coach’s cooking abilities were, only to find that she had absolutely no idea what we were on about. It turns out either the cakes were that insignificant that she had no recollection of them... or they never existed at all, bringing up some questions about the coaches cupcake cooking credibility.

Join us tonight for a World Cup celebration night. Dress as your country and party on into the night. \$20 buys you a spot in our sweepstakes for tonight’s soccer match of Greece vs South Korea. 21 people get a player each in the game and whoever gets the first goal scores \$320. Don’t miss out. If there’s enough interest we may have a \$10 one as well. Cunderdin are invited to join in on the fun. Good luck today Redbacks.

Go the Redbacks!!
