SOUTH LOUISIANA REGIONAL TRAINING: ACCOUNTABILITY REQUIREMENTS FOR RECIPIENTS OF FEDERAL GRANT FUNDS

LaFASA is pleased to announce a free training on financial accountability. With the demand for increased transparency regarding public funds, grant recipients are being held to increasingly strict standards of accountability. LaFASA staff was recently trained by the U.S. Department of Justice, Office on Violence Against Women, regarding new standards for record keeping and reporting on federal grants. We are excited to pass this information on to Louisiana's Sexual Assault Centers, Domestic Violence programs, and other allied professionals.
